

## Always Moving Forward **"Next Generation"** Scholarship

Frontier Lithium is committed to seeing our community partners grow, prosper and succeed. This scholarship was specifically designed to recognize and support young members of the three (3) communities of Sandy Lake First Nation, North Spirit Lake First Nation, and Deer Lake First Nation. **Together, we all share the common goal of creating a better tomorrow.** As a company, Frontier Lithium has made a commitment to its community partners, families and the next generation of leaders through the establishment of the Frontier Lithium education scholarship.

### Achieve your fullest potential in life!

Frontier Lithium will award three (3) scholarships of \$1,000 each towards the education costs of three (3) deserving students, one selected from each of the communities. Individuals can apply for the scholarship support to use toward their education. The winning students will be chosen after careful consideration by our judging panel. Money will be paid after confirmation of attendance to school is received and all criteria is met.

## How to apply

These "Next Generation" scholarships recognize the spirit of our youth. Tell us how your education will to improve your community by filling out the application form and answering the three (3) questions.
